2020

The International Forum

"GOLDEN EASEL"

Follow in Metropolitan Andrey Sheptytsky's
footsteps connects children from
Ukraine and all around the world"

REGULATIONS

The International Forum "Golden Easel unites children from Ukraine and all around the world" aims to unite, identify, develop the abilities of talented children in creative communication. Children's creativity has no boundaries - it flies over politics and is understood by every person. Children's masterpieces created during the Forum reflect unity and peace in Ukraine and the world. For the first time in 2020, children from all Ukrainian regions and 20 other countries have registered at the Forum. The pedagogical achievements of the Forum, The International conference "Development of child's creative thinking", the Children open air gallery in Lviv and on the site artclass.lviv.ua and facebook.com/artclass.org will represent the image of Ukraine in the world.

PURPOSE

To find talented children and youth in Ukraine and in the world, to invite them to creative communication, to develop their skills on plein airs and workshops, to promote their creativity on mobile exhibitions in Ukraine and abroad and in virtual children gallery (ARTCLASS.LVIV.UA) etc.

TASKS

- to develop an interest in the perceiving the beauty of the surrounding world and art;
- to form a sense of artistic and aesthetic taste through fine art;
- to raise the system of spiritual and moral values in communication with works of contemporary artists and treasures of the Ukrainian cultural heritage;
- to promote the wonderful world of children's paintings that testify an important role of the creative process in general development of every child and formation of their personality;
- to create favorable conditions for creative activity;
- to enrich and promote pedagogical experience and methodological achievements of modern teachers
