P.S. During this program, workshops will be held at the Summer School of Teacher Training at the request of the participants (on the basis of a preliminary appointment with the artists-leaders). Workshops will take place in groups of 6 people. Groups will be led by artists-leaders, educators and volunteers. In order to partake in workshops, the participant of plein airs must complete the task of composition and send it to the e-mail Mihajluk@gmail.com.

The composition tasks are as follows:

Create a rapport pattern with folk motifs for the modern interior (pillows, blankets, etc.).

To create the composition it is necessary to choose one or more elements of ornaments from Oppillia-Boikivshchyna region, published in the popular edition of Iryna Vachkova «Embroidery from Zhydachiv region».

The artistic image of the rapport composition can be performed in any technique (graphics, painting, mixed technique).
