

PEACE RELAY

XX INTERNATIONAL FORUM *GOLDEN EASEL 2022*

POSITION

The International Forum of Fine Arts «Golden Easel» is a cultural and educational platform that exists in real and virtual space with a series of virtual galleries of children's masterpieces* and educational programs.

The Forum attracts talented children to creative communication, promoting their creative achievements in exhibitions in galleries and museums around the world, in the media.

As part of the Forum, the International Children's Art Competition «Golden Easel», which is proudly called the Children's Oscar, is held annually in absentia and in person. The winners of the Competition are awarded the Grand Prix - a gold easel made of precious metal and a diamond for creating original compositions. All finalists of the Competition are awarded gold medals, vouchers at the Art Residence together with the leaders.

During the military aggression of the racists in Ukraine, the creative communication of the participants of the International Contest of Children's Creativity «Golden Easel» in the master classes of cyberspace grew into the Relay of Peace.

Despite the war we revived the Children's Gallery «Golden Easel in Eastern Ukraine», opened on October 16, 20 at the Museum of Local Lore in Stanytsia Luhanska (annexed by the Rashists) and named it «Angels of Peace». This gallery opens exhibitions in different countries.

The Peace Relay started on April 15 in Ukraine in the Lviv region with a gallery of children's masterpieces «Angels of Peace» in the First Western TV Channel, and now travels the world and opens exhibitions in different countries: together with our partners - Educational and Aesthetic Complex «Art School», Kherson, represented by the director Yulia Slipich, the Relay of Peace opened on April 17 with the exhibition «Children Draw the World» in the Czech Republic, on April 27 - in the Mexican United States. On June 1, the Peace Relay will be taken over by our partners in Bulgaria and other countries.
