## PROVISIONS:

### GOAL:

To invite talented children of Ukraine and of the whole world to participate in the International Contest and the marathon of mobile exhibitions "Peace Formula in Children's Art" to demonstrate the philosophy of "Peace Formula" in the information and cultural space of the world, revealing the real world and dreams of our children for the happy future of Mankind and a peaceful sky above the Earth in the artistic images of children's art. Moreover, it is essential that as many countries as possible understand the horrors of war and support Ukraine in its fight against Russian terrorism for freedom and independence.
